

OASIS UNIVERSITY

IGNITING MINDS AND HEARTS

JOHN FROWNFEILER, MD

Dr. Frownfelter, Dean of Students is a founding member of Oasis University, INC (OU). Dr. Frownfelter has amassed a vast amount of international missionary experience. OU benefits greatly from the knowledge and experience that Dr. Frownfelter brings with him.

Dr. Frownfelter currently serves as VP, Chief Medical Information Officer for Unity Point Health. Dr. Frownfelter assists with the organization's efforts to set the vision and strategy of clinical applications, and supports system alignment strategies that depend upon clinical information technology solutions.

Dr. Frownfelter is a board-certified internist and graduated from a combined Internal Medicine/Pediatrics program at the Detroit Medical Center in 1997. After teaching academic medicine for nine years, he became directly involved in clinical informatics in 2006. Dr. Frownfelter previously led physician engagement and practices changes related to CPOE and clinical care within the Trinity Health System and then Henry Ford Health Systems.
